

RCC MEN'S MINISTRY ACTIVITIES FOR 2007-08

BREAKFAST AND SERVICE SATURDAYS (B.A.S.S.)

In response to the May 2007 men's ministry survey, we will be offering monthly men's breakfasts followed by community service projects that men and family members can participate in. The first B.A.S.S. will be on September 29th at 8am at church. If you want to nominate a community service project for this year that would be suitable for a range of ages to participate in on a Saturday morning, please contact Ryan Anderson or Tom Watkins (see other side).

COVENANT PINES MEN'S RETREAT

The Covenant Pines Men's Retreat is coming up on November 16-18, 2007. Now's the time to reserve the dates, register, and invite a friend or two to join you! You can get more information and register online at <http://www.covenantpines.org/cpbcretreats.htm>

STAND IN THE GAP

Stand in the Gap is a national, outdoor sacred gathering of men that occurs once every ten years, aiming to strengthen the mission of the local church by strengthening men. Just send an email or call one of the contact people for the ministry you are interested in. If you have an idea for a new men's ministry component, feel free to contact Tom Watkins (see other side).

ALASKA MISSION TRIP

Start to think and pray about your plans next summer. We plan to send work crews to Alaska Christian College and Hooper Bay in late July or early August 2008. If you have questions, contact Kevin Nelson (see other side).
